

Lithologies and Sedimentary Structures	
	Mudstone or siltstone
	Sandstone
	Conglomerate
	Dike or sill
	Flaser/Wavy bedding
	Wavy/Lenticular bedding
	Horizontal stratification
	Ripple-laminated
	Planar cross-stratification
	Trough cross-stratification
	Broad trough cross-stratification
	Epsilon cross-stratification
	Convolute bedding
	Mud lenses
	Volcanic bombs
	Outsized sedimentary clasts
	Shells or shell fragments
	Burrows
	Logs or log fragments
	Leaves or leaf fragments
